Immerse yourself in PAINTING as MEDITATION, Painting as energy work, painting as a personal JOURNEY. It's time for you to "get your wings"! In this 3-hour workshop, I, Mary Dixon, will shower you in positive vibration, through sound and guided meditation, colour, and the magic of this process. How are you being called to "rise above"?

We provide an inclusive environment so that those who participate can learn, grow and share their talents with their community, therefore contributing to a vibrant downtown Bridgewater.
